## Introduction :

Baba Nand Foundation Trust is a non-profit organization established in 2019 for the growth of disadvantage segment of society and further exploring avenues. Since then the organization has been working relentlessly for improving the living conditions of the under-privileged and marginalized community in South District zone of New Delhi. The organization is committed to bring about holistic development through multiple spheres of education, health and livelihood with a special focus on children and women, environment protection, water harvesting, Road safety, Seminar/ conference, food and farming, renewable energy. A beginning has been made with several developments are as follows:- Today, “Baba Nand Foundation Trust” is working extensively on effective implementation of the Right to Education Act, 2009, Providing Educational facilities at free of cost and strengthening the youth and “Women Empowerment”, creating income generating options for ladies, providing shelter and legal assistance to public by connecting to different organizations. Career Counseling is done for youth for example we have tie-up with Hans Culture Foundation, through which we provide an option to give scholarship to students and provide jobs.

## “Baba Nand Foundation Trust's Vision”

“Baba Nand Foundation Trust” implies the vision of mind and heart to follow the right direction for not only fulfilling the basic necessities but also the culmination of ultimate goal of human life which is peaceful journey with positive output.

“Baba Nand Foundation Trust” believes in achieving the ultimate goal of life by the combination of our beautiful hearts and innovative minds leading in the right direction to complete the mission of living “simple and high thinking life.” Our vision is targeting moral values, ethics to be maintained to lead a successful eco-friendly life.

In context to this, our team plans to support this through our education system in terms of English classes, computer classes and other vocational courses. We endeavour to look after old citizen by providing them emotional support, and accompanying them to fulfill the gap of loneliness when they feel helpless.

We have a vision of bringing out change in the existing circumstances in terms of life living ways of people. Would like to attract the minds of community people to work together to gain benefits by giving commercial knowledge, but also wants to make a powerful soul by letting them know about their potential. We aim at enabling people looking after many aspects of the society to make better lives by focusing on morality, our ultimate vision. providing them emotional support, and accompanying them to fulfill the gap of loneliness when they feel helpless. We have a vision of bringing out change in the existing circumstances in terms of life living ways of people.

Would like to attract the minds of community people to work together to gain benefits by giving commercial knowledge, but also wants to make a powerful soul by letting them know about their potential. We aim at enabling people looking after many aspects of the society to make better lives by focusing on morality, our ultimate vision. Imparting trainings for women empowerment, youth empowerment, senior citizen empowerment and overall holistic development of all these is the main vision of ours. We target these segments of the society the most by providing them suitable guidelines, platform for the implementation of their expected assistance and doing all the possible tasks to bring out efficiency and consistency in the working styles of the needy segments to make them a part of integrated group or connecting them directly to the vision of the nation to achieve government's vision for instance making “Aatam Nirbhar Bharat” Pollution free environment eco-friendly life, taking initiatives to implement it at the ground level by getting directly involved with it. We strive to maintain the beauty of our environment, especially females, children and senior citizens by just creating, supporting and making it happen. We aim at allocating the right place to public by referring and directly taking them to the appropriate places of taking their care and then doing follow ups and accompanying them till the time they need not want, making them realize that someone is there to listen to them. Due to lack of awareness, many needy ones suffer a lot, we aim to show and lead the paths to ensure that needy ones get the appropriate or best solution to their sufferings. Eventually, we have a vision of doing the best as per our team's efficiency and learning at all stages of life. We are looking forward to achieve all above mentioned objectives and fulfilling them at the best of our team's capability

## Founder Message :

It is indeed a great pleasure to announce that “ *Baba Nand Foundation Trust*” has completed its first year in 2019-20 successfully. I present the Annual Report 2019-20, in an attempt to review the yearlong activities of the our trust and also as a way to direct the organization to charter new dimensions and accept new challenges.

The last year was extremely eventful as we embarked on a journey with big responsibilities.

**Baba Nand Foundation Trust's Mission** is to be creative, problem solving attitude, collaborative, innovative and an effective interaction to meet our Vision of making people self reliable, self determined by giving them initial support and once they achieve it, we would discover more paths for our target groups. We would make use of several tools, resources available to us through government, known social workers etc to fulfil of identified goals. Bridge the gap between government and private institutions and under privileged SC, ST, OBC, and other target groups through empanelling with government institutions to avail available platforms to achieve our mission. Empanelling with multiple government departments in order to “empower women”, youth, senior citizens and the maintenance of environment and health at the same time with keeping road safety awareness programmes on every year. We would like to develop more avenues for public, making aware of government schemes to be utilized effectively for labours especially. Our mission is to create awareness of banning plastic, motivate people to take pledge mentioned in government portal and implementation of it. Basically, we aim at brushing up all possible aspects of public by our cheap cost and invaluable efforts of pouring divine thoughts in the brains of beautiful souls all around us. It would show a remarkable effect on anyone's normal routine, if we would be able to deliver it whatever we Visu Education System of “Baba Nand Foundation Trust”

Baba Nand Foundation Trust's vision is to be able to provide free or low cost education which must be utilized to make our beneficiaries self-reliant not only to meet basic needs but also to be selfdetermined to be innovative and giving them

### **Health and Hygiene**

“Baba Nand Foundation Trust” which is a combination good mind, implies the vision of mind and heart to follow a clean path by utilizing it to a great potential efficiently and persistently. “Swatcha Bharat Abhiyaan” is the first and foremost goal to set examples for others to follow and create awareness to inculcate the sense in our young minds to retain it for long time.
